INDEPENDENT AUDITORS' REPORT

To the Members of: Lupus Canada

We have audited the accompanying financial statements of Lupus Canada, which comprise the statement of financial position as at September 30, 2016, and the statements of operations, changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As is the case with many charitable organizations, Lupus Canada derives a portion of its revenue from the general public in the form of donations and fundraising which are not susceptible to complete audit verification. Accordingly, our verification of this revenue was limited to accounting for the amounts recorded in the records of the organization, and we were not able to determine whether any adjustments might be necessary to donations and fundraising revenue, excess of revenues over expenses, assets and unrestricted net assets.

INDEPENDENT AUDITORS' REPORT

(Continued)

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Lupus Canada as at September 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

1. Nature of operations

Lupus Canada is a non-profit organization which was incorporated under the Canada Corporations Act and continued under the Canada Not-for-Profit Corporations Act on April 28, 2014. It is a registered charity exempt from taxes under Section 149(1)(f) of the Income Tax Act (Canada).

The purpose of Lupus Canada is to improve the lives of people living with lupus through advocacy, education, public awareness, support and research.

2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

a) Revenue recognition

Lupus Canada follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

b) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short term deposits with original maturities of a year. Bank borrowings are considered to be financing activities.

c) Capital assets

Capital assets are recorded at cost less amortization. The organization provides for amortization using the following methods at rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates and methods are as follows:

Computer equipment 30% declining balance Equipment 30% declining balance

The organization reviews for impairment of capital assets whenever events or change in circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the assets, an impairment loss is recognized during the year the impairment occurs.

d) Contributed materials and services

The organization has chosen to disclose the nature and amount, where applicable, of contributed materials and services but not to record the value in the financial statements. The organization receives volunteer services throughout the year, the value of which is not determinable.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

2. Significant accounting policies (continued)

e) Use of estimates

In preparing the organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into operations in the year in which it is determined. These estimates are subject to measurement uncertainty, and actual results could differ from those estimates. Estimates are used when accounting for certain items, such as useful lives of capital assets, allowance for doubtful accounts, and accruals.

f) Financial instruments

The organization's portfolio investments are initially recognized and subsequently measured at fair value without adjustments for transaction costs that would be incurred on disposals. Changes in fair value are recognized in the period of change. Transaction costs associated with the acquisition of these investments are recognized in the period incurred. Portfolio investments consist of publicly traded securities.

All other financial instruments, being cash and cash equivalents, accounts receivable, and accounts payable and accrued liabilities are initially recorded at fair value and subsequently measured at amortized cost.

3. Capital assets

	Cost	ccumulated mortization	2016 Net	2015 Net
Computer equipment Equipment	\$ 27,108 11,660	\$ 26,287 11,510	\$ 821 150	\$ 1,173 214
	\$ 38,768	\$ 37,797	\$ 971	\$ 1,387

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

4. Deferred contributions

Deferred contributions represent funds received which are externally restricted for expenses of subsequent fiscal years.

	_	2016	2015
Beginning balance Add: contributions received during the year Less: contributions recognized during the year	\$	136,509 274,843 (30,780)	\$ 24,475 115,671 (3,637)
	\$	380,572	\$ 136,509
Deferred contributions balance consists of the following amounts:			
Research Fact booklet - Trillium grant	\$	376,589 3,983	\$ 131,746 4,763
	\$	380,572	\$ 136,509

5. Fundraising activities

Lupus Canada reports the gross and net contributions of its direct mail campaigns, as follows:

	2016	2015
Direct mail revenues Direct mail costs	\$ 102,628 (39,412)	\$ 118,862 (41,912)
	\$ 63,216	\$ 76,950

Direct mail costs are included in General and infrastructure on the Statement of Operations.

6. Net assets internally restricted

	2016	2015
Operating Fund Reserve Research Fund Lupus Canada Scholarship Fund	\$ 75,000 - 6,313	\$ 75,000 10,000 16,313
	\$ 81,313	\$ 101,313

In 1998, the Board of Directors approved the establishment of an Operating Fund Reserve with the intent to have approximately six months of the annual budget reserved for future use in operations, programs, services or capital acquisitions.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

6. Net assets internally restricted (continued)

As a result of a bequest received in 2003, the organization created a Research Fund whose use is internally restricted to research related expenditures to be approved by the Board of Directors.

During 2016, the Board of Directors approved a transfer of \$10,000 from restricted research fund to the unrestricted net assets and made a decision to eliminate the internally restricted research fund.

During the year, \$10,000 was allocated from the Lupus Canada Scholarship Fund to general revenues and disbursed to scholarship candidates.

7. Commitment

The organization is obligated to pay the following minimum lease payments for its premises.

2017	\$	7,967
2018		8,270
2019		8,574
2020		8,877
2021		6,829
	-	
	<u>\$</u>	40,517

8. Financial instruments

Risks and concentrations

The organization is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a description of the organization's risk exposure at September 30, 2016. There are no material differences in risks versus those of the previous year.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from its members and contributors. However, the organization has a significant number of members and contributors which minimizes concentration of credit risk.

It is management's opinion that the organization is not exposed to any other significant risks arising from their financial instruments.
